

Umbrellas that **Tell You** when **It's Going to Rain!**

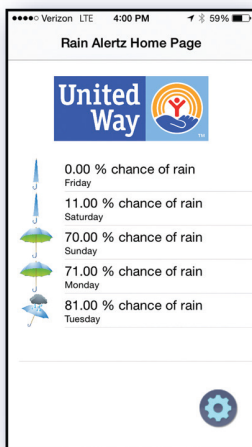

Umbrellas powered by

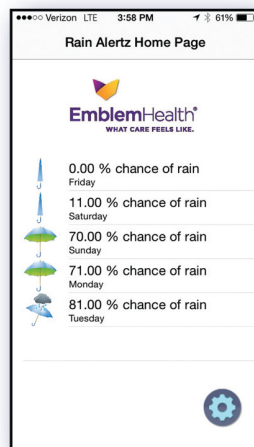

GET A BRANDED MESSAGE EVERYTIME IT'S GOING RAIN

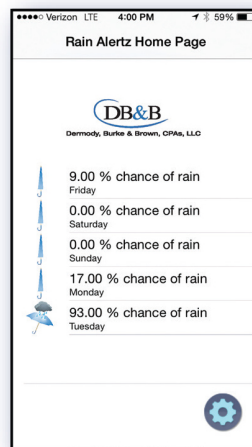

- The RainAlertz app reminds the customer to take their umbrella when there is a high chance of rain
- RainAlertz delivers a customized message from your client – generating continued brand awareness
- The RainAlertz microsite can be branded with your customer's logo

The microsite is customized with the customers logo

The microsite shows a 5-day rain forecast

The Forecast is based on the location of your smartphone
